Little Do We Know
Where The Road May Lead

Dedicated To . . .

Mary Lawton

Thomas G. Martin, Jr.

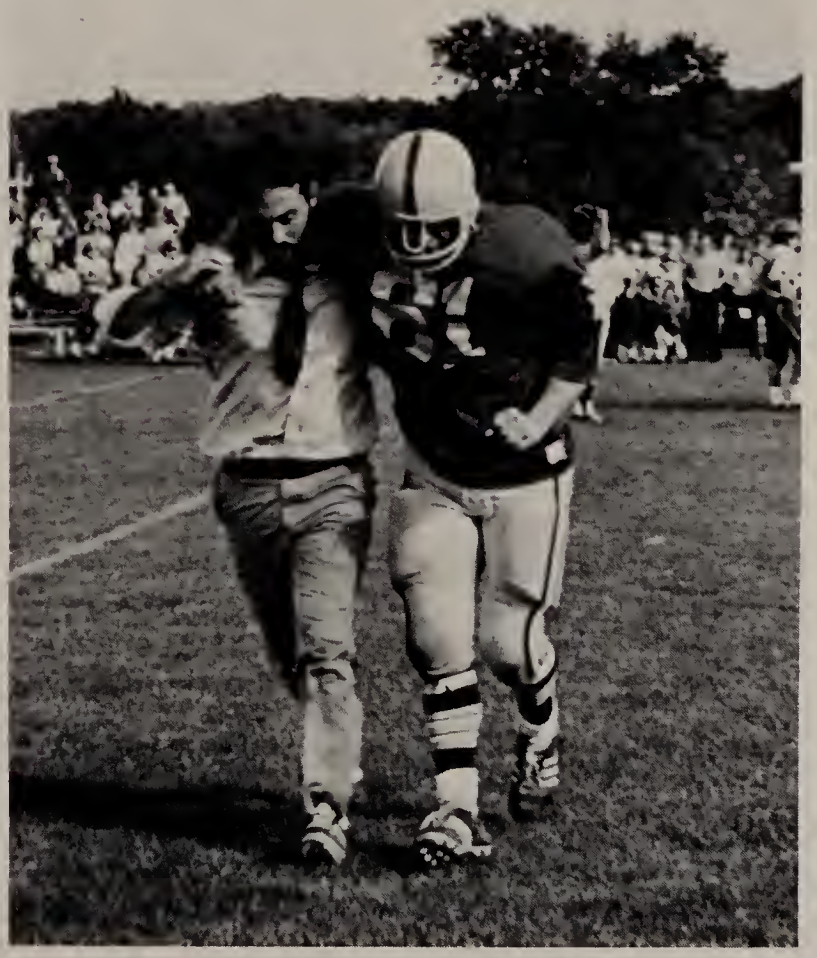

LEAN ON ME

Lean on me when your not strong and
I'll be your friend, I'll help you carry on
for it won't be long 'till I'm gonna need somebody
to lean on
Please swallow your pride if I have things you
need to borrow
for no one can fill those of your needs that you
won't let show
You just call on me brother when you need a hand,
we all need somebody to lean on
I just might have a problem that you'll understand
we all need somebody to lean on
If there is a load you have to bear that you can't carry
I'm right up the road I'll share your load if you just
call me, call me.

In Memory of . . .

Susan Deschene

Lynda Prunier

John Rackliffe

From "Night"
It is your darkness that reveals to us the
light of heaven,
For the light of day has enshrouded us
with the darkness of earth.
It is your promise that opens our eyes to
eternity,
For the vanity of day had held us like
blind men in the world of time and
space.

It is your tranquil silence that unveils the
secret of ever wakeful, ever restless
spirits;
For day is a turbulent clamour wherein
souls lie beneath the sharp hooves of
ambition and desire.

Fiddler on the Roof

On Friday and Saturday nights and Sunday matinee, the seventh, eighth, and ninth of April, South Windsor High School put on their annual musical. Again this year it was a smash hit. Never before has such acting, talent, and professionalism been seen in a high school play. "Fiddler on the Roof " is truly a play never to be forgotten. Because of its great success a command performance was presented on Wednesday night April 12th. This is something of which South Windsor can truly be proud.

Journal I

LaBreche Track Coach Of Year

SPECIAL — The area's high school coaches continue to reap statewide recognition.

Bob LaBreche of South Windsor has been named the 1972 track coach of the year in Connecticut by the High School Coaches Association, the Journal Inquirer has learned.

BOB LABRECHE
Coach of Year

The Coaches Association, which recently announced the selection of Ellington's Bob Healy as basketball coach of the year in our state, selects the top coach in 10 different high school sports.

LaBreche and Healy will be honored at a Recognition Dinner at the Sheration Park Plaza Hotel in New Haven on Dec. 4.

Last year, South Windsor's Charlie Sharos was chosen the state's top high school basketball coach.

LaBreche led South Windsor's track team to the Class M (medium-sized schools) state championship last spring. Boasting two outstanding individuals, sprinter Jim Trott and weightman Rich White, the Bobcats topped Farmington, 34-22, to take the M title.

LaBreche, who also doubles as South Windsor's cross country

coach, has been the only running coach South has ever had.

He came to South 10 years ago when the high school opened and started the track program.

Totally dedicated to his job, LaBreche works long and hard with his trackmen, and has done much to upgrade the athletic program at South. During the winter, he assists Sharos in basketball.

A graduate of Hartford Public High School, LaBreche earned a Physical Education degree from Southern Connecticut State College. Last spring, he received his Master's Degree from Southern, also in Physical Education.

LaBreche is married to the former Janice McKenna and they have two children, Robbie, seven, and Lisa, four. The family resides in Windsor Locks.
